

Gipsey Bridge Academy

Ready to learn. Prepared to flourish.

Gipsey Bridge Academy is committed to ensuring all children are safeguarded and that pupil welfare is paramount.

The purpose of this leaflet is to share with you our excellent safeguarding practice and the responsibility we have to safeguard all of our pupils.

- We will establish and maintain an ethos where children feel secure and are listening to an open positive atmosphere.
- We will ensure that children know there are adults in school who they can approach if they are worried or in difficulty.

- We will actively seek the views of children, listening to them and involving them in decisions about their education.
- We will include in the curriculum activities and opportunities for PSHE and circle time which equips children with the skills they need to keep safe
- We will make any referrals necessary to ensure the well-being of all children is safeguarded.
