

CLASS 2

AUTUMN TERM

YEAR 3 & YEAR 4

We are excited for a fantastic term of learning, discovery and new experiences!

HISTORY

THROUGH THE AGES

We will travel back in time to explore British prehistory from the Stone Age to the Iron Age.

We will learn about:

- How people lived during the Palaeolithic, Mesolithic, Neolithic, Bronze Age and Iron Age.
- How people used tools, fire and other inventions.
- How homes, settlements and farming changed people's lives.
- How new materials and technologies transformed the way people lived and worked.

SCIENCE

ANIMAL NUTRITION

We will discover how nutrition is important for humans and other animals.

We will learn about:

- The different nutrients our bodies need.
- The importance of a balanced diet.
- The purpose of our skeleton.
- How muscles help us move.
- Different types of animal skeletons.
- Animals with endoskeletons, exoskeletons and hydrostatic skeletons.

D&T

COOK WELL, EAT WELL

We will learn about healthy eating and develop our cooking skills.

We will:

- Explore the different food groups.
- Learn about the Eatwell Guide.
- Investigate different methods of cooking.
- Cook and explore different ways of preparing potatoes.
- Make and taste ratatouille.
- Design and make our own taco filling!

ART

PREHISTORIC POTS

We will explore Bell Beaker pottery and use clay to create our own prehistoric-inspired pots.

We will:

- Look closely at prehistoric pottery.
- Explore different clay techniques.
- Investigate patterns, shapes and textures.
- Design our own decorations.
- Create and decorate our own Bell Beaker-style pot!

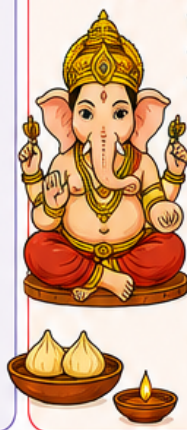

RE - HINDUISM

GANESH CHATURTHI

We will learn about Hindu beliefs and celebrations.

We will explore:

- Who Lord Ganesh is.
- Why Ganesh is important to Hindus.
- How Ganesh Chaturthi is celebrated.
- The importance of prayer and puja.
- Why Hindus pray to Ganesh when beginning something new and to remove obstacles.

RE - SIKHISM

GURPURABS

We will learn about Guru Nanak, the founder of Sikhism, and the celebration of Gurburab.

We will explore:

- Guru Nanak's life and teachings.
- The importance of equality, respect and kindness.
- The belief that all religions worship the same God.
- The importance of faith, worship and celebration.
- Why Sikhs celebrate Gurburabs to remember the Sikh Gurus.

GEOGRAPHY

ONE PLANET, OUR WORLD

We will develop our geographical skills and learn about our amazing planet.

We will:

- Locate countries and cities.
- Use compass points and grid references.
- Use latitude and longitude.

Discover the layers of the Earth.

- Explore plate tectonics.
- Learn about the five major climate zones.
- Explore significant places in the United Kingdom.
- Carry out fieldwork to discover how land is used in our local area.

★ OUR AUTUMN TERM ★

It is going to be a busy and exciting term full of discovery, creativity, practical learning and new experiences! We encourage the children to ask questions, share their ideas, challenge themselves and show our school

5 Rs of...

RESILIENCE
We keep going and try our best.

RELATIONSHIPS
We are kind, respectful and work well together.

RESOURCEFULNESS
We use our skills and ideas to solve problems.

REFLECTIVE
We think about how we learn and how to improve.

RISK TAKING
We have a go, are brave and learn from our mistakes.
